

Station X Jesus is stripped of his garments.

(Wednesday)

**We praise you O Christ and we bless you;
For by your holy cross you have redeemed the world.**

John 19. 23-24.

We pray for refugees.

We pray for those who have lost their belongings.

We bring before God all those bad and good things we hide ourselves behind.

We pray for the grace to open ourselves fully to the gaze of Jesus.

Lord Jesus, give us grace to follow your steps and walk with you.
